ARTICLE II
Sponsorship

Section A: Goals of Sponsorship
In recognition of the diverse views of the campus, the goals of the Undergraduate Students Association Council as they relate to sponsorship are to promote the empowerment and recognition of all students from different race, gender, culture, sexual orientation, ethnicity, disability, socioeconomic, religious, and class backgrounds. This commitment is manifested in striving toward the recruitment, retention, and success of students, faculty, staff, and administration. Moreover, through the sponsorship of student organizations, the support of USAC towards student organizations will be reflected in providing the necessary resources to ensure
quality programs on campus. Most importantly, USAC strongly advocates for the existence and empowerment of student groups that have the following concerns:

1. Providing avenues for undergraduates to serve and assist the community in addressing societal problems including, but not limited to, educational and socioeconomic disadvantage.
2. Providing services that address the general health, wellbeing, and overall development of undergraduate students.
3. Providing programming and academic opportunities that supplement the general curriculum of the university, thus enhancing and enriching the educational experience of the campus community.
4. Supporting the academic success, retention, and recruitment of undergraduate students, staff, faculty, and administrators.
5. Helping to create a campus environment that will increase the interaction and dialogue among culturally diverse communities.

Additionally, this section will guide USAC in determining which groups it will sponsor for official recognition. USAC would ideally like to sponsor all student groups that reflect the diversity within the University but, due to limited resources, USAC is forced to limit sponsorship to those student groups whose existence and operations are in accordance with the goals of USAC and are, therefore, vital to the overall governance of the USA.

Section B: Guidelines for USAC Student Group Sponsorship

1. All student groups sponsored by USAC must be registered through the Center for Student Programming with USAC listed as their sponsoring department. Any group that fails to do so for an entire year shall be considered defunct, i.e., no longer a student group sponsored by USAC.
2. USAC Sponsored Groups shall meet all criteria for “Official Recognition” as set forth in applicable University Policy.
3. All USAC sponsored groups will be under the jurisdiction of USAC and therefore governed by all USAC guiding documents, i.e., Constitution, Bylaws, and Financial Guidelines. In other words, USAC will serve as the primary sponsor for all USAC sponsored groups.
4. No USAC sponsored group shall at any time promote discrimination with regard to race, gender, sexual orientation, disability, or religion (refer to Article II Section B.3.). It should be understood that if a group commits an act that violates this guideline, then that group will be subject to sanctions imposed by USAC which could possibly lead to de-sponsorship.
5. USAC may choose to de-sponsor a student group sponsored by USAC with just cause. Such actions require a two-thirds vote of all voting members of the Council. If desponsored, issues of office space regarding said organization will be reviewed by the USAC Facilities Commissioner and the Office Space Allocation Committee.
6. Failure by an organization to comply with the aforementioned guidelines may result in suspension of USAC sponsorship status and its respective privileges.

7. Once a group has been defunct, de-sponsored, or removed they cannot use their prior status of sponsorship as a means to regain sponsorship status. That group will have to petition to USAC, and USAC can sponsor the group pending a two-thirds vote of all voting members of Council.

8. All groups sponsored by USAC shall have signatory authority with regard to requisition forms, key request forms, and Personnel Change Notices. However, it needs to be understood that the final authority with regard to requisitions lies with the Finance Committee Chair, Facilities Use Forms with the Center for Student Programming, key request forms with the President and Personnel Change Notices with the Internal Vice President. Furthermore, all Commission-Related groups require signature by an authorized signatory of the specific commission of whose office they are associated with for all requisitions, key request forms, funding requests, and Personnel Change Notices.

Section C: Types of Sponsorship
1. The Council shall act as the sponsor of two types of student groups, enumerated as "Student Advocacy Groups" and "Commission-Related Groups" as defined below.

2. The Council shall be the judge of an individual group to hold a given status, which shall be determined by a vote of two-thirds of all voting members of Council for Student Advocacy Group sponsorship; a majority of all voting members of Council for Commission-Related Group sponsorship.

3. No group sponsored by the Undergraduate Students Association shall discriminate or promote discrimination on the basis of race, creed, sex (except as exempt from Title IX), religion, age, national origin, disability, socioeconomic status, or sexual orientation.

4. All groups sponsored by the USA shall maintain current copies of their constitutions and mission statements on file with both the USA Internal Vice President and the ASUCLA Library.

5. The USAC shall not be restricted to associating solely with groups sponsored by the USAC.

If the organization is eligible, the Internal Vice President shall place their proposal upon the USAC agenda and shall inform the concerned organization of the date and time of the USAC meeting in a timely matter.
d. If approved by Council by a vote of two-thirds of all voting members of Council, the group will receive partial sponsorship for one Council term, which includes only: access to funding, training sessions, advice, a mailbox, computer access, and a place in the USAC website under the heading “Provisional Student Advocacy Group.”

e. For one Council term, said organization will be under the review of the Constitutional Review Committee who will review the organization according to USAC Sponsorship Bylaws and recommend to the Council that voted them provisional sponsorship status, by their final Council meeting of Spring Quarter, whether the organization should receive full Student Advocacy Group Sponsorship.
