VII. Officer and Member Reports

Academic Affairs Commissioner – Eligio Martinez Jr.
- Martinez said that the ECP Survey had been completed and that the results would be made public some time next week, probably early in the week. He said that, in the meantime, no one should be making any statements about the survey, including such things as how many students completed it. He said that all questions about the survey should be directed to him or to Lisa Raigosa in Jerry Mann’s office.
- McLaren suggested that it might be better for Martinez to handle all questions that are raised. She said she was recommending this because, historically, all such matters have been handled by duly elected members of USAC rather than by a member of ASUCLA’s staff.
- Martinez accepted McLaren’s suggestion by amending his statement to ask that all questions about the ECP Survey be directed to him for reply.

External Vice President - John Vu
- Vu said that he would have a written report next week on the President’s Budget.

Internal Vice President - Darren Chan
- Chan said that his office had received about 40 applications from students who want to serve as Editor of the Unofficial Guide to UCLA, and that he and his staff would begin interviewing them very soon. He then thanked everyone who showed up at last week’s meeting with OCHC.

President - Allende Palma/Saracho
- Palma/Saracho said that he would be attending the UCLA Alumni Association meeting tomorrow evening, preceded by dinner with the Chancellor. He said that he would update Council on this meeting next week.

Administrative Representative – Berky Nelson
- Nelson reminded Council about the dinner meeting with Student Affairs Administrators on Tuesday, February 22nd at the Faculty Center.
- Palma/Saracho asked about the time of the dinner.
- Nelson consulted his calendar, and confirmed that the dinner was set for 5:30pm and that it would be in the Redwood Room of the Faculty Center.
- Palma/Saracho asked who Council members should contact regarding specific issues they might want to discuss at that meeting.
- Nelson replied that they should send an email to Vice Chancellor Montero.
ASUCLA Interim Executive Director – Bob Williams
- Williams said that, at a Special Meeting last Friday, the ASUCLA Board of Directors approved the language of the proposed fee increase. He said that a copy of it will be provided to USAC very soon. He said that he and other Board members would be meeting with the GSA Forum on Wednesday, the 16th, and that he would be talking with Palma/Saracho regarding when to bring this matter before USAC.
